Wendy,

One of the sweetest people I've known! I'm so glad we're still friends after I moved away. Remember all the fun times we had when I lived next door? Remember the time Buck Wad took Mike & me away & we couldn't even get home? Don't ever forget my surprise B-day party, cause I sure won't! I'm really glad you're the nicest guy you've gone w/ since we've been together. You're a really cool guy! Just think I might be back in old Hickstown but then again maybe not! I really miss everyone & B-day parties. It was great, wasn't it? I can't believe you actually made it to 21! Maybe someday you'll come & visit me & we can have a blast together, just like old times. Hey, but I found a guy will succeed in everything! Be good in all your endeavors & I know you will be friends forever! Be cool!

Party forever!

STUDENT LIFE

Boonsboro High School could not contain all the hustle and bustle on September 2, 1986 as the new and returning students enthusiastically began a new year. Some were glad to be back, while others still had their minds on summer vacation. The time had come to crack open the books and concentrate on school studies, while participating in clubs and sports on the side.

The freshmen would soon learn the life of being in high school, while the seniors were getting their last taste of it. Soon things were getting under way, and the '86-'87 school year seemed as if it was going to be a busy, fantastic, and fun-filled year!!!

. . . and school began, many of the students shared the terrific times they had during the summer. Some hit the beaches, other went to camps, and still others held a summer job. All in all, everyone had an experience to talk about.

SPIRIT

The week of October 13 through October 17 marked the unleashing of spirit in the BHS halls. Students with Warrior pride put on their spirit threads and paraded around the school. Spirit week started off with Jock Day; Tuesday marked off Hawaiian Day; Wednesday became Twin and Odd Day; Thursday was Dress-up Day and on Friday students wore blue and white jerseys for Jersey Day. The whole week led to Friday night's Homecoming football game — The Warriors vs. The North Carroll Panthers. The whole school let loose their Warrior spirit and pride.

STUDENTS AND FACULTY IN THE ASSEMBLY SPIRIT

Throughout the school year students and faculty alike had fun, learned, and showed school spirit at various assemblies. Pep assemblies gave students a chance to vocalize their support and encouragement for fellow students preparing for the next ball game. Competition between classes was keen when it came time to vie for the spirit drum — the symbolic trophy won by the class showing the most spirit at pep assemblies.

New sports such as footbag were introduced by Professional footbag players at the year's first Antrim Bureau assembly. Lucky students and teachers even got a chance to show off their fancy footwork before hundreds of spectators. Later in the year students met and learned facts about North American reptiles. The final Antrim Bureau assembly concerned juggling and was perhaps the most entertaining of all.

On a more serious and patriotic occasion, Boonsboro High School hosted its annual Veterans Day assembly in November. National, state, and local American Legion officials presented a program honoring veterans and promoting patriotism. The BHS chorus and Warrior Band provided music that would stir even the most apathetic soul.

Spirit Week finally came to an end on a frigid Friday night, October 17, 1986, as the psyched Warrior football team prepared to battle North Carroll — hoping for a Homecoming victory. The excitement built steadily as the half-time activities approached. The 1986-87 Homecoming Queen would soon be crowned. The Boonsboro Band presented an outstanding performance as the Homecoming Court entered the football field riding in classic corvettes.

Two weeks prior to this event, the Senior Class had nominated ten girls to be on the top ten list. These seniors were Michelle Auldridge, Crystal Brandenburg, Mary Baxley, Cathy Clark, Karen Feketis, Tessy Fuss, Sandy Hawkins, Jackie Kerns, Kelly Nokes, and Sue Roelky. The following week five of the ten girls were chosen to be the Homecoming Court. These five included Mary, Cathy, Sandy, Kelly, and Sue.

The waiting finally came to an end as Kelly Nokes was crowned the 1986-87 Homecoming Queen. The Warrior football team battled hard but suffered a tough loss to North Carroll. Following the game, the Student Council sponsored a dance honoring the queen and her court. Kelly received gifts from numerous clubs and organizations. The court and attending students jammed the night away to music provided by Spectrum.

YEA . . . WE GOT TALENT!

November 26, 1986 was the day BHS let loose some talent. The annual Boonsboro High School Talent Show was held in the auditorium, where students watched their fellow students distributing some talent. An afternoon performance was held as well as an evening performance.

Each act was judged on quality of performance, originality, showmanship, special effects, and audience response. This year's judges included Mr. W. Hovermale, a well known music teacher; Mrs. M. Labin, who has played and taught piano; and Mr. C. Edwards, a DJ from Z95.

Randy Thompson once again dazzles the audience with his incredible voice.

The winners were announced during the evening performance. Michelle Sweigert and Kevin Wilson sang a duet to "Up Where We Belong" and received third-place cash prize of $25.00. Christy Crowl played the piano and sang to the tune of "Arms of Love", while receiving second place and a $50.00 cash prize. First place went to Randy Thompson, who sang Barry Manilow's "I Write the Songs," and received a $75.00 cash prize.

The talent show is always a huge success and appears to be as much fun up on stage as in the audience.

CHRISTMAS: A SPECIAL TIME

The town Christmas tree gets decorated for the holidays.

Christmas time at BHS is always a special time. Decorating the classrooms and hallways kept faculty and students busy. Some of the clubs and organizations showed their spirit by sponsoring various holiday festivities. But, the students were not too busy to purchase gifts for family and friends, as well as count the days down to Christmas Day.

A Christmas Masquerade ball was presented by the Drama Club to all BHS students on December 13, 1986. Everyone seemed to have a great time and many had fun trying to guess who was who. Some people are still trying to figure out who was dressed up as Santa Claus. Darren Griffin won a prize for best costume. Costumes ranged from animal costumes to Barbee and Ken costumes. A green toad turned into Mr. Szabo when he was kissed by a beautiful princess, Mrs. Szabo. Eric Boyer was DJ for the event. Refreshments were served, and everyone had a great time.

STUDENTS SHOW

The Student Council sponsored several activities to give the student body an opportunity to shine in work, as well as in play. On January 29, students gave the teachers a day off, and experienced the "joy" of teaching. Teacher Appreciation Day, an old Warrior tradition, proved to be an eventful day for both students and faculty.

But, it cannot be all work and no play. It was time for the "Almost Anything Goes" assembly on February 26. This assembly proved to be a favorite with the faculty and the student body. The clubs and organizations of BHS got together to compete against each other in "friendly" competition in such events as Twister, limbo, toothpick relay, apple pass, Simon says, balloon race, and three-legged race. It was close, but the BHS band marched past everyone else to come out on top. The JV cheerleaders captured second, and third place ended in a tie between the Senior class and the Junior class. The band members who competed received trophies, while second and third place qualifiers were given ribbons.

KING OF HEARTS

The Arrowhead Staff sponsored a dance on February 14 in honor of Valentine's Day. The highlight of the evening included the crowning of the "King of Hearts." The senior class voted the top five guys for the event. They were: Rodney Grimm, Randy McClure, Darren Stotelmyer, Jay Robinson, and Matt Weaver. Later on in the evening, Jay Robinson was crowned as the 1987 KING OF HEARTS.

STUDENTS ON THE MOVE!

Doug Priest, Jay Walling, Steph Seekins and Brett Rohrer hang loose at the skating rink.

During the months of February and March, students participated in such events as the Skate-a-thon and the Donkey Basketball game. The Skate-a-thon, which was sponsored by the Drama Club, was held at Starland Skating Rink in Hagerstown. The Skate-a-thon was held in order to raise money for the presentation of the play "Brigadoon."

The BHS gym was invaded by donkeys during the Donkey Basketball game, sponsored by the Student Council, in which students and faculty divided up into teams and battled each other in a hilarious game of basketball.

ONWARD MARCH!

Randy looks to Mr. Wilkes for instructions.

The BHS Band spent many long hours preparing for parades, concerts, the show case, etc., under the close watch of Mr. Wilkes. The band has shown great competitiveness, dominance, and much spirit in their various competitions. For instance, Mr. Wilkes led his band through six consecutive wins in the Mummer's Parade Marching Band Competition. Another win included the Chambersburg Parade award. The Warrior band performed spectacularly in the Show Case of Bands and the Spring Symphony Concert. Overall, the Boonsboro High Warrior Band makes the school very proud.

David Shobe gazes upon the Pacific Ocean.

During the course of the 1986-87 school year at BHS, students in different classes and organizations packed their bags, food, cameras, and high hopes to experience and explore other countries and cities.

Five students from the Spanish class, Tessy Fuss, Donna Baker, Steph Sekins, David Hoffman, and David Shobe, traveled to Mexico, Taxco, and Acapulco. There they spent nine days touring pyramids, silver mines and the beach resorts and even drank Pulque, otherwise known as cactus juice.

Students from Mrs. Lemkuhl's art class traveled to D.C. for a day to visit art museums in the mall area. Mrs. Steiner's French III and IV classes also traveled to Washington D.C. for a day but not to visit museums; they enjoyed a play entitled "Le Bourgeois Gentilhomme."

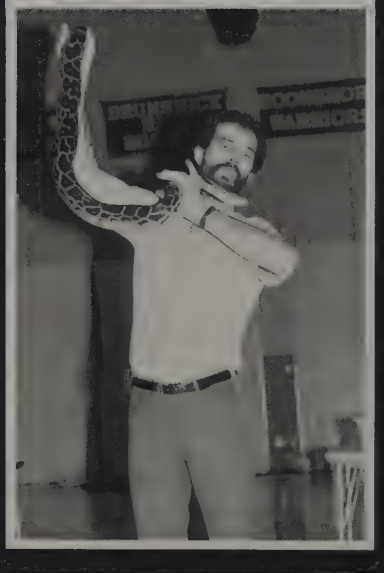
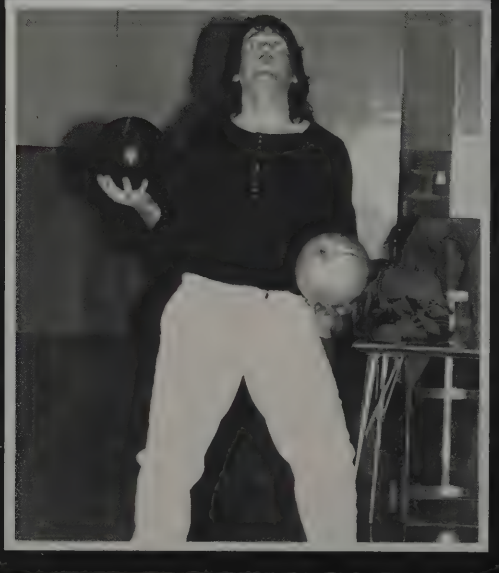
FROM THE JUNGLE TO THE JUGGLER

During the course of the school year, students are given the privilege of watching an assembly instead of going to class. Two such assemblies included reptiles and a juggler. The audience "OOOOHHED" and "AAAAHHHED" as the entertainers held up snakes and alligators, juggled bowling balls and swallowed fire.





BRIGADOON A HIT

*Mr. Szabo began preparation for the play **"Brigadoon"** as early as the summer of '86. A car wash was planned the second week of school to help raise money for the production. Everything was underway and soon auditions began. Costumes were made, props were designed and scenes were painted. Finally after a busy year, **"Brigadoon"** was presented on April 24 and 25 to an enthusiastic audience.*

PROM '87 PROM '87

On Friday, May 8, the 1987 Junior-Senior Prom was held at the Venice Inn in Hagerstown.

The decor, so cleverly designed by the junior class prom committee, included a colorful wooden carousel in the front lobby and hand-painted ceramic carousels adorned the tables. An ice sculpture in the design of a circus horse was displayed on the refreshment table.

When the doors opened to the dance floor, the night was young. Couples so elegantly dressed twisted and twirled to the music of the band "Joker's Wild". The prom-goers were given a fun surprise when Randy Thompson grabbed the microphone and sang "Old Time Rock-n-Roll".

The night was a success, and couples finally left the Venice Inn, tired yet still energetic, to do some more socializing.

GETTING AHEAD

Academics are the most important part of school. There is always a group of students who stand out from the crowd and do more than just get by; they get ahead. Fourteen BHS students had the chance to work in various career fields through the Board of Education's Community Internship Program. Other students chose to share their knowledge by participating in the Peer Tutoring Program. While several students received academic honors for their PSAT/NMSQT scores, SAT scores, and grade point average. Other students preferred to get a head start on college by attending HJC for half a day. These students were joined by common bond; they strived for academic excellence.

Student Standouts

This year many exceptional Boonsboro High School students received numerous awards and honors in the field of academic excellence. Others received awards for their citizenship achievements. These worthy students deserve recognition.

Christi Crowl received the Hugh O'Brian Outstanding Student award for outstanding achievement.

Eric Boyer placed first four times in the Washington County Film Festival.

Mary Ann Rodenhiser, Shannon Blankenship, and Stacy Porter all placed in the Voice of Democracy essay contest.

Tiffany Patterson placed first in the American Legion Oratorical contest.

Crystal Brandenburg and Scott Hahn toured businesses at the request of the International Management Council.

James Sweeney placed first in a poster contest for the handicapped.

Crystal Brandenburg was named Hagerstown Optimist Club's Outstanding Student.

Kendra Seburn received an $800 scholarship to attend the University of Maryland.

Karen Feketis received an award from the Daughters of the American Revolution.

VO TECH TRAINS

Washington County students interested in a career in various technical and vocational areas are offered the opportunity to attend the Career Studies Center for instruction. The CSC's main objective is preparing students for the working world. Interested students apply for training in refrigeration, brick laying, cosmetology, and nursing and many other technical fields during their sophomore year. After being accepted they begin training during the second half of their junior year and complete it the first half of their senior year. As usual, BHS students worked hard to become skilled in their desired areas of vocation. This year forty-seven sophomores were selected to attend CSC beginning in January, 1988.

On the Way to Proficiency

Since Maryland high school students are required to pass various functional tests in order to graduate, much time is invested in the areas of learning basic reading and writing skills. Basic grammar lessons, composition writing, and writing drills help students to develop the skills necessary to pass the state tests. Upperclassmen utilized their acquired skills by writing term papers and participating in journalism classes.

The foreign language department has been working toward increasing the language fluency of those students participating in the program. French students were exposed to French culture and cuisine by preparing food for French cultural experiences. Several Boonsboro High School students toured Mexico with other county students.

Scientific knowledge is necessary for the advancement of our modern world. This year BHS offered classes in biology, chemistry, advanced chemistry, physics, and earth science. BHS students experimented and researched in the name of science while the advanced chemistry class prepared to take the advanced placement chemistry test.

Working It Out

The world of business is a big world, and Boonsboro High School's students are preparing for and participating in that world in a big way. Through the D.O. (Diversified Occupations) program students gain valuable, on-the-job experience and learn more about what it takes to be successful in today's job market. Under the direction of Mr. Robert Wetzel, these students spend many hours each week in the classroom and on the job learning valuable skills while earning a paycheck at the same time.

Meanwhile, students in various business typing, and data processing classes spend their time learning how to use the latest office technology in its many forms. For some, the goal is to be a fast and accurate typist. For others the goal is to become competent in the use of data processing equipment. Whether as typists, data processors, or computer operators, these busy students will be the office experts of tomorrow.

On the Go With the Arts

Throughout the year the students of Boonsboro High School developed and utilized their creativity in the fields of the practical, performing, and fine arts. The drama and music classes performed skits, plays, and concerts, and presented the musical, Brigadoon while once again the BHS band took first place in the Alsatia Mummers Parade. Those students in industrial arts learned metal working, mechanical drawing, and woodworking. Art students entered competitions and created art projects while students in home economics produced luscious food and lovely fashions!

IT ALL ADDS UP

The Boonsboro High School Mathematics Department offered many challenging classes for interested students. The department offered classes in Math I and II, Elementary Algebra I and II, Algebra, Geometry, Algebra II/ Trigonometry, Pre-Calculus and Calculus. Students desiring academic achievement in mathematics spent much time solving equations, multiplying, dividing, and integrating.

Computer classes this year were taught by Mr. Sturniolo and Mrs. Keefer. Students created intricate programs with complicated graphics and designs. Needless to say, some time was logged playing amusing computer games or devising programs for personal use.

Mr. Sturniolo helps Aaron Layos work out a program.

Trever Burker, Alison Ridenour, and Jen Smallwood have a good time programming.

Angie Gallagher, Todd Dorsey, and Kim Gordon agree computers are fun.

Eric Boyer, the computer whiz, is at it again.

HELPING OUT

No one can say that Boonsboro High School students are not active. These students who participated in the physical education program were taught the importance of physical exercise for maintaining good health. Students not only learned and used their physical skills but learned the rules and technical aspects of various sports.

Being on the go is part of an aide's life. Correcting papers and running errands kept BHS aides on their toes. Neither sleet nor snow nor dark of night kept the middle or elementary school aides from reaching their posts at the respective schools while office aides acquired experience and skill from a business atmosphere.

Willing upperclassmen volunteered to be counselors at Fairview Outdoor School. These students had the chance, not only to teach and care for, but also to learn from the county's elementary school children.

FAIRVIEW COUNSELORS: *Row 1: Marsha Nelson, Shawn Abbot, Joann Hagan. Row 2: Michelle Kable. Row 3: Craig Poffenberger, Darren Griffith, Jim Nichols, Gerald Rhodes, Frank Edleblute*

PEOPLE

This year people were constantly on the go. Maybe they finally figured out that getting involved and staying busy makes the year go by faster. School does not only mean teachers, books, tests, and long classes, which some people find boring, but they are a reality we must face. School also means people getting involved in clubs and activities, playing in sports and band, presenting plays and musicals, and planning interesting field trips and more activities — all of which are diversions from everyday school life. These are the people that get the most out of school and create memories that will be appreciated when school is a thing of the past.

The dedicated faculty and staff at Boonsboro High School is always on the go. The teachers are the backbone of many activities and clubs — we could not have made it without them there to guide us.

Every area of school life, whether it be an athletic event, a club activity, the production of a musical, dances, planning for the prom, or the publication of the Arrowhead or the Chieftain is under the supervision and helpful direction of the energetic, caring faculty and staff.

SENIORS . . .

As is the case with every junior class, the Class of 87 could not wait to experience the feeling of senior superiority. Our turn finally came, and it was our duty to lead the school with pride and set a good example for underclassmen to follow in years to come. However, it proved to be a much larger undertaking than we anticipated. With such expectations to live up to, we pulled through and were rewarded on that final day by the sounds of Pomp and Circumstance.

Along the way there were fun times that will leave us with many special memories. But life was not always happy, as we found out when two of our classmates passed away within a short period of time. This was an obstacle which we overcame it and brought those of us who knew Kris and Lisa closer together and made us realize how much we should cherish our friendships.

The road ahead will lead many ways as we are a diversified class and everyone has different goals to pursue. While traveling this road, we will encounter much responsibility. Hopefully, our high school career has prepared us for this journey, and along the way, we can look back on our senior year with fond memories.

CLASS COLORS: BLUE AND WHITE

CLASS FLOWER: BLUE AND WHITE ROSE

CLASS SONG: "THIS IS THE TIME"

CLASS GIFT: SOUND SYSTEM

CLASS MOTTO: "JUST FOR A MOMENT"

JUST FOR A MOMENT
LET US LOOK BACK
REMEMBER THE GOOD TIMES
AND KEEP THEM INTACT

WE'LL NEVER FORGET
THINGS THAT WE'VE SHARED
SECRETS WE'VE KEPT
OR FOR PEOPLE WE'VE CARED

NO ONE CAN ERASE
THE MEMORIES WE'VE SHARED
OR EVEN IMAGINE
THE PRICE WE'VE PAID

LET'S COME BACK TO REALITY
TRUST IN THE GOOD TIMES AHEAD
AND WE JUST WON'T WONDER
WHERE THE OLD ONES HAVE SPED

WE CAN MAKE SOME NEW MEMORIES
TO ADD TO OUR COLLECTION
AND STORE THEM IN OUR HEARTS
FOR THERE THEY'LL HAVE PROTECTION

DON'T EVER FORGET,
THE GOOD TIMES THAT YOU'VE SPENT,
BECAUSE YOU CAN ALWAYS LOOK BACK
JUST FOR A MOMENT.

SENIORS MOVE ON

In a traditional, formal ceremony, Boonsboro High School graduated one-hundred seventy-seven young men and women in 1987. The Rev. Marlin Mauk of the Zittlestown Independent Assembly of God, spoke at the Baccalaureate service on Sunday night, May 31, and also had the invocation during Graduation on Monday night, June 1. Salutatorian Crystal L. Brandenburg addressed her fellow classmates with her speech, "Dare to Dream." Class President Mitesh B. Kothari presented the class gift, a sound system, to Mr. Joseph Robeson. Kendra E. Seburn, class Valedictorian, gave her speech entitled, "Follow Your Dreams." More than 340,000 dollars in scholarships, grants, and loans was presented to the class of 1987. This was a tremendous accomplishment for the graduating class.

Mike Crampton and Chris Clark bid a final farewell.

Alison Ridenour and Kyleen Leamen lead the way.

Valedictorian, Kendra E. Seburn

B.H.S. provides its students with many activities that allow them to remain on the move at all times. Sports, band, student council, drama club, class fundraisers, and prom preparation are just a few of the activities that we, the junior class are involved in. Besides being involved in extra activities, we have also been busy setting our goals and aiming high in order to reach them. Throughout our years at B.H.S. we have proven that, although many obstacles stand in our way, the responsibility and dedication we have will enable us to conquer those obstacles. With just one more year to go in the first major part of our lives we are finding ourselves nearing the home stretch in order to complete it.

SOPHOMORES: Strive Ahead

Being a sophomore meant that there would be many more responsibilities. The sophomore class is the first class to have the additional graduation requirements of three maths, a fine art and a practical art. The class of '89 also has to take and pass the Maryland Reading, Writing, Math and Citizenship Tests. All of these graduation requirements meant that sophomores would be spending many long hours in preparing for tests, taking tests, and trying to simply keep up with the extra class load.

Of all our new responsibilities, perhaps the most welcome was that of becoming a licensed driver. By the end of the school year most sophomores had either obtained a driver's license or were taking the necessary driver education courses. . . . Now we will REALLY be "on the go."

FRESHMEN MOV

The zesty new members of our spirited tribe moved easily into their busy routines over the year. They adjusted well to the new requirements and environment. This year the freshmen became well-known to most of the upperclassmen and experienced some of the same memorable moments had by previous freshmen. This year new requirements were provided for the class of '90. In addition to two extra credits, they must pass the Maryland Functional Reading, Writing, Math and Citizenship tests in order to graduate. With these new obligations and responsibilities to be met, the freshmen have shown a glimmer of the excellence necessary to achieve their goals. Certainly they will continue to uphold the true spirit and traditions to become proud Warriors of Boonsboro High School.

CLUBS ETC

Many students at Boonsboro High School were actively involved in some club or organization. Many of these clubs kept the students busily involved for a major portion of the school day. The addition of two new clubs this year added to the already busy atmosphere. Being in a club or organization taught students valuable experience such as dependability, responsibility, cooperation, leadership and discipline.

Clubs such as the Arrowhead and the Chieftain were kept constantly busy by seemingly ever approaching deadlines. Presentations were practiced long hours by such groups as the Chorus, Drama, Cheerleaders and the Band which won their sixth consecutive year in the Mummer's Parade. The student council held many assemblies while the Warrior Club also held ones to honor athletes. All clubs and organizations have some special meaning and activity to which they strive for and this year was no exception.

Tiffany Patterson explains that this is really what she looks like and that every other day it's just a mask.

Tina Smith and Julie Beard enjoy another one of those DECA meetings.

Scott Gay tells Suzie Nichols that he wishes he could keep some of these designs for himself.

Jason Pennella sells merry messages.

Michelle Kable rehearses for the musical.

Jeannie Thompson, Kathy Robertson, Wendy Baer and Jenny Reed perform a cheer with ease.

Scott Hongell watches Corey Zimmerman receive his award.

The Boonsboro High School Band marches proudly.

And this is our BHS talent: Darrin Griffith, Natasha Bailey, Kevin Wilson, Blake Brown and Melissa Haller.

Marsi Ingram and Karin Shifler learn about the different yearbook layouts.

Donnie Lerch learns the basics of self defense through practice during club meetings.

Shawn Abbott, Amy Keller, Stephanie Karn, Nicole DuBrowa, Julie Emanuelson, Cathy Snook and Kelly Nokes really enjoy cheerleading.

Brian Woodring helps with the annual Blood Drive.

Left: Eric Boyer live on the air. Right: Lisa Turner thinks past yearbooks are really funny.

STUDENT COUNCIL ACCOMPLISHES A SUCCESSFUL YEAR

The Student Council, under the direction of Mr. Woodring and Mrs. Picolomini, worked hard all year long to sponsor and hold various activities. Their main purpose was to discuss matters suggested by the student body. Representatives took these suggestions to the monthly meetings, and from there the council discussed and voted on the matters. All matters that were passed by the Student Council were then taken to the principal, Mr. Robeson, who had the final say.

The first activity of the year was Freshman Orientation. Spirit Week was then held from October 13-17 ending with the annual Homecoming Dance, held after the home football game against North Carroll. Around December the Student Council played "Santa" and answered letters from the Elementary School. Next they held Teacher Appreciation Day. Upperclassmen volunteered to teach for a teacher for the whole day. They also sold carnations on Valentine's Day. This year colored ribbons were attached, each having a different meaning. The annual blood drive was open to anyone 17 years of age and over 110 pounds. For the third straight year the Student Council also held the "Almost Anything Goes" contest. Various teams made up from various clubs and organizations throughout the school all competed for the first place prize of a trophy for every member of the team. The BHS band was victorious in capturing first place. A Donkey Basketball game was held in our gymnasium next. Teams made up of the Student Council, Upperclassmen, Underclassmen, and Teachers (from both the Middle and High School) competed. Through many long games and playoffs, the Student Council won. The Student Council also held an Easter Egg Hunt at the Elementary School. The children really seemed to enjoy this. In addition to all of these activities, the Council also held many antrim bureaus featuring various subjects. Thanks to the hard work of all of the Council members these activities were a big success.

WARRIOR CLUB

Honors Athletes on the Go

The Warrior Club, under the direction of Coach Scott, was responsible for encouraging and promoting athletic activities. They distributed earned Warrior heads, numbers and letters to athletes from the money collected by the dues to be in the club. They also held banquets to distribute these awards after every season. The last banquet in May was held to honor all Senior lettermen. The officers for this year were Gary Hartzell, president, Christy Nuice, vice-president, Crystal Brandenburg, secretary, and Tessy Fuss, Treasurer.

ARROWHEAD STAFF

Publishes an Outstanding Paper

The Arrowhead Staff, under the direction of Mrs. Nave, worked long and hard hours constantly meeting deadlines and sponsoring fundraisers to help defray the cost of publishing and the regular price of the paper to the students. Subscriptions for the paper were taken early in the school year.

Some of the sponsored fundraisers this year were the ham sandwich sales, selling merry and sweetheart messages around the holidays and a St. Valentines Day dance which crowned Jay Robinson as the "King of Hearts".

Along with these fundraisers, they also donated $300 to the American Cancer Society on behalf of Kris Stansbury.

Much time and effort was spent all year round to produce an informative paper and raise funds for the students at Boonsboro High School.

Kendra Ruffner, Stephanie DeLauney and Tara Knight show off their enthusiasm for ANOTHER picture.

A.V. CREW DISTRIBUTES

WHILE LIGHT AND SOUND SHINES

The A.V. Crew met every homeroom period and discussed the distribution of audio visual parts. They distributed filmstrips, projectors and tape recorders.

The Light and Sound Crew worked closely with the drama department this year. They worked with such productions as the Talent Show and the play "Brigadoon".

Eric Boyer served as president, he was the chief sound coordinator. Pete Scott and Pete Barnhart along with Eric were in charge of the lights. Jason Pannella helped with the follow spotlight.

GET EXPERIENCE FOR THE FUTURE

The Distributive Education Clubs of America, under the direction of Mr. Sherrod, is formed to help interested students to develop an awareness in the field of marketing and distribution.

Money for the club was raised through various fundraisers: candy and ceramic sales and the selling of personalized shamrocks to benefit muscular dystrophy around St. Patricks Day. The club also went caroling in Hagerstown and had several Pizza Hut parties. A leadership conference was held in the fall with the DECA members of the county. Officers for this year were Shelly Bishop, President; Lester Bussard, 1st Vice President; Nikki Hutchinson, 2nd Vice President; Missy Hines, Secretary; Julie Beard, Treasurer.

Under the direction of Mr. Wetzel, the Diversified Occupations program (D.O.) is a group of students that spend half the day working outside the school on a job. They attend school for half a day and spend the rest of the day at a prospective job for their future. They learn early the skills and responsibilities needed for their job.

FFA

Develops Agricultural Experience

The Future Farmers of America, under the direction of Miss Mellott and Mr. Heavner, were constantly busy this year sponsoring various sales, shows and judging. Their primary aim was the development of agricultural leadership, cooperation and citizenship.

Some of the fundraisers this year included citrus sales early in the school year and candy sales in March. Community shows and county and state judgings kept the club constantly busy preparing for difficult competition. Other activities included a trip to Harrisburg in January, FFA week in February and a banquet for the members held in May.

Officers for this year included Matt DeBaugh—President; Duane Harold—Vice President; Kim Fann—Secretary; Bryan Babington—Treasurer; Chuck Hyde—Junior Advisor; Randy Rhodes—Reporter; Sonny Palmer—Sentinal.

F.H.A.
gains valuable homemaking skills

The Future Homemakers of America was formed as a service organization to help others. They held various fundraisers one of which included distributing Christmas baskets filled with food for three needy families in the community. Also at Christmas they decorated their room and held a pizza party for the FHA members. Another dinner, at the end of April was held again for all FHA members. They also served the Annual Senior Sports Banquet in May.

Officers for this year included Terri Albritton — President, Amy Leggett — Vice-President, Stella Herche — Secretary, Jeanette Semler — Historian, and Miss Rohrer — Advisor.

FBLA

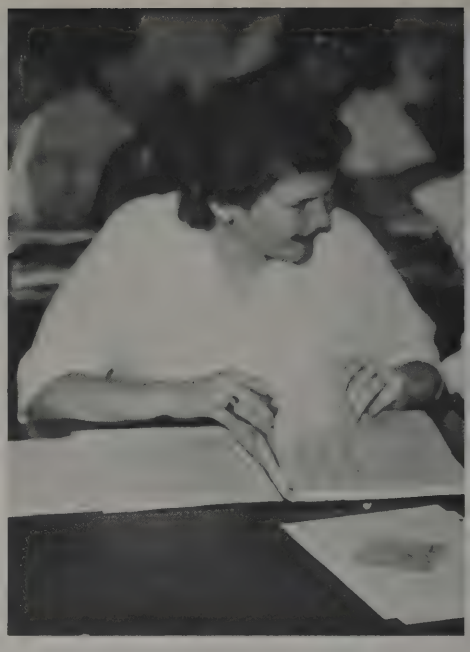
Plunges Ahead In Business

Future Business Leaders of America (FBLA) was formed basically for any person interested in the business world. Voted for last school year, officers this year consisted of Karen Feketis—President; Sandy Hawkins—Vice President; Angel Smith—Secretary; Tina Monninger—Treasurer; Dawn Redmond—Historian and Mrs. Phillips—Advisor.

The club was kept constantly busy by fundraisers and competitions. Much of their time was spent helping the needy and distributing gifts around the holidays. Some of this work included visiting patients at Reeders Nursing Home and distributing gifts to them. They also joined with the FHA by helping to make up food baskets and distributing them to the needy families of the surrounding community.

Fundraisers this year included a cosmetologist demonstration of make-up and wardrobe color analysis open to interested students; a Pizza Party for the members of FBLA, and the FBLA Regional Competition held at Walkersville High School.

The year in review was very successful and all the members will agree that it will be very rewarding for their next step of entering the big world of business.



Dawn Redmond says, "I'll just hide this under here so no one will find it!"

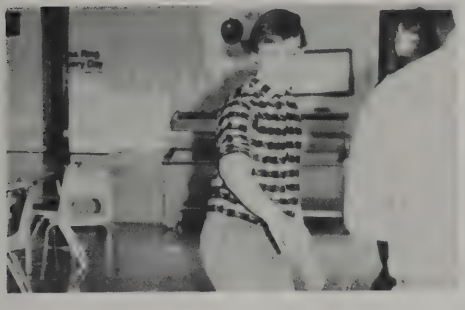
NEW CLUBS

MOVING RIGHT ALONG

Under the direction of Mr. Sasse, the Martial Arts Club was formed to teach basic self defense to interested students. One of their goals was to try to promote the Martial Arts in the surrounding area. Both brown belts, John Holtz served as President, while Sean Burgess served as Vice-President. The official name of the club, Bushido, means the way of the warrior.

The newly established Ski Club, under the supervision of Mrs. Swisher, became a real success among the ski enthusiasts of the school. They took several after school trips to Ski Liberty for downhill skiing. Besides the minor injuries and the soreness from the first trip to Ski Liberty, they all seemed to enjoy themselves greatly and pursued many more trips there in the following months.



John Holtz presents another self defense technique.

CHEERLEADERS

SPREAD SUPPORT THROUGHOUT THE HALLS

Both our junior varsity and varsity cheerleading squads spent long hours practicing from late in the summer and continued throughout the school year.

Cheerleaders were our major source of school spirit, they promote this spirit throughout the halls, locker rooms, football fields and gymnasium. They spent long hours practicing their mounts, writing pep rally skits and rehearsing new cheers. All of this contributed to the fantastic showmanship they exhibited at all football and basketball games. They helped to get both the players and spectators psyched at the football and basketball games.

Fundraisers for this year included jewelry sales and ham sandwich sales. Both fundraisers turned out very well.

Although the cheerleaders did not compete in any competition, their cheers and support was well appreciated by the spectators here at Boonsboro High School.

PERFORMING ARTS

OFF TO AN EARLY START

Performing arts at BHS this year got off to an early start with rehearsals for the musical "Brigadoon." The Drama Club, Chorus, and musical theater class combined talents to make this year's production a success under the direction of Mr. Szabo. These groups all provided various opportunities for students to perform.

The Drama club met, discussed, and performed under the leadership of officers Randy Thompson (President), Blake Brown (Vice-President), Alison Ridenour (Secretary), and Cassandra Smith (Treasurer). The Chorus exhibited its vocal talent in its excellent musical performance "Liberty", which was performed at the annual Veteran's Day Assembly. Meanwhile, throughout the year, students met the new fine arts requirement for graduation by learning and performing in musical theater and drama classes.

BHS BAND

WINS SIXTH CONSECUTIVE YEAR

Much time and effort was put into the success of the Boonsboro High School band this year. Under the direction of Mr. Wilkes, the band started its usual long hours of practice during the heat of August.

The long hours of practice paid off as usual. Through the rainy Annual Alsatia Mummer's parade, our band managed again, for the sixth consecutive year, to capture first among the many featured bands.

The honors and awards didn't stop there. They also captured first at the Chambersburg parade and made an impressive showing at the unjudged "Showcase of Bands".

The spring concert was also a success. The concert turned out exceptional as always.

The success of the band this year made Boonsboro High School proud of such an organization. The efforts of Mr. Wilkes and the full band were well appreciated by all.

YEARBOOK STAFF
QUICKLY ADAPTS TO NEW SUPERVISION

This year the yearbook staff went under the new supervision of Mrs. Dail and Mr. Haines. Since most of this year's staff was fairly new to the yearbook terminology, both the supervisors and staff members spent long and frustrating hours learning the various layouts and specifications. The two classes of yearbook worked hard to make this year's yearbook a success.

The editorial board consisted of 14 members that were each responsible for a specific section of the yearbook. The editorial assistants helped wherever they could on various sections.

Fundraisers this year consisted of the usual advertisement and patron sales, concession sales at basketball games, and also included the selling of jerseys and sweatshirts. After returning the sweatshirts once for a spelling error, the sales went very well and helped contribute sufficient funds for the yearbook.

SPORTS

Gerald Reeder is overwhelmed by victory

From middle August until late May, many BHS students became involved in various sports offered at Boonsboro High School. Soccer, Cross Country, Volleyball, Football, Basketball, Indoor and Outdoor Track and Field, Baseball and Softball were open to any student who maintained satisfactory grades and to anyone who could meet the requirements of these teams. The ineligibility rule of two F's seemed to have a slight effect on the teams this year. Total dedication and concentration was the key to success in these sports. Teamwork and caring for each other also added to a successful atmosphere. Long hours of practice each day of the week by not only the hard working athletes, but also the coaches, paid off in the end. The parent's support and involvement was greatly appreciated by all. Their cold dinners and hospital bills became part of their everyday lives. Through the usual ups and downs of any athletic team, due to the injuries or sicknesses, much success and courage from all the BHS athletic teams this year should be commended by all.

XC RUNS AWAY WITH IT

While most people are relaxing at the beach, Cross Country members are training for their season. Official practice began in the middle of August though most members had been running all summer. Their long hours and hard work paid off in the end when both boys and girls finished as the first "C" school in the State "B-C" competition. Both teams accomplished their basic goals: to win more dual meets than they lose, to win a major meet, and to place in the top 10 of the State "B-C" competition.

Captain Gary Hartzell, setting a new school record of 15:46, led the boys to a 3-1 dual record and 4th of 33 in the State. Captain Cathy Clark guided the girls to a 3-1 dual record and 5th of 31 in the State.

Warriors are ready to go into action.

John Hartle streaks toward the endzone.

The Boonsboro Varsity Football Team posted its second consecutive 5-5 season. The Warriors' main offensive strength this year was rushing the football. The team had a host of talented running backs and outstanding offensive linemen. Boonsboro was third in the MVAL with 1723 yards rushing and averaged 199 yards per game over the ten game schedule. Senior halfback Larry Ecton led the way in rushing and scoring with 807 yards rushing and 64 points. Senior fullback Jay Robinson contributed 513 yards and five TDs and Tom Smith contributed with 5.3 yards per carry (326 yds.) and three TDs. All of Boonsboro's running backs averaged over four yards per carry.

The quarterback position was shared by two juniors, Jeff Gillespie and Troy Chruchey. Gillespie started the first eight games throwing for three TD passes, and Churchey started the FSK and Smithsburg games and threw two TD passes.

The offensive line was anchored by three year starter and co-captain Lorne Ridenour and boasted returning starters at every position. Seniors Rusty Moser and George Downin and Gerald Reeder manned the guard spots. The tackles were held by two-year starters, seniors Scott Baker and Craig Davis. Seniors Mark Semler, Jay Burker and Matt Weaver manned the end positions.

Defensively the team was led by four returning starters on the line and one returning starter in the secondary. George Downin was our leading tackler as a noseguard. The linebackers were led by senior co-captain Rusty Moser. The defense was able to force eight interceptions, ten fumbles and nineteen sacks.

The kicking game was handled with seniors Rusty Moser (PAT), Larry Ecton (punting), sophomore Scott Beaver (punting) and senior Lorne Ridenour (snapper). The leading kick returner was Larry Ecton and senior John Hartle was the leading punt returner.

JV FOOTBALL

ON THE ROAD TO SUCCESS

The 1986 Junior Varsity Warriors were coached by Chuck Anderson and Curt Fazenbaker. The roster was dominated with 20 sophomores and 7 freshmen. Virtually all of the sophomores saw playing time, and freshmen Don Lerch, Jeremy Gay, and Ray Bennett established themselves as rising players to watch. Offensively, the Warriors were led by J.R. Hawkins (692 Yds, 6 TD) and Keith Potter (4 TD, 399 yds). Scott Shank directed the offense from his quarterback position.

The kicking game was handled by Dennis Jackson (K-O and PAT) and Joe Edelen (punting). Defensively, Keith Potter and J.R. Hawkins were the leading tacklers but were helped by Doug Root, Donovan Buttry, and Jason Ellis. The defense forced 9 interceptions (Jason Ellis and Ron Moser intercepting 2 each) and 9 sacks (Potter, Edelen, Buttry and Otzelberger 2 each).

MVAL VOLLEYBALL CHAMPIONS
Finish Second in Region

This year's volleyball team started off to an excellent season. The team consisted of four seniors and five juniors. Coach Phil Aversa and Tri-Captains Crystal Brandenburg, Marsi Ingram, and Christine Smith guided the team to finish the season with a 12-2 record and MVAL title. The 12-2 season took the team to the regional playoffs where they finished second to FSK.

Many honors were received during the season. First team All-County: Crystal Brandenburg and Marsi Ingram. Honorable mention All-County: Christine Smith, Deanna Beard, Lori Sullivan and Lisa Miller.

First team all-MVAL: Crystal Brandenburg and Marsi Ingram. Honorable mention All-MVAL: Christine Smith, Deanna Beard, Lori Sullivan, Lisa Miller, and Stephanie Seekins.

Four team records were set this year. They were most service aces, most spike kills, most blocks, and the highest service percentage for a season.

Individual records set by Crystal Brandenburg were most blocks a season and most blocks a career. Most points a season was set by Marsi Ingram.

Christine Smith, are you setting Marsi Ingram or are you backsetting Crystal Brandenburg?

Coach Aversa calls a time out.

GIRLS BOUNCE BACK

The 1986 Junior Varsity Volleyball team got off to a slow start, but finished with a 10-4 record. After losing their first match to Clear Spring, the team bounced back to defeat their next 7 opponents. Captains Kelli Hauver and Wendy Miller guided the team to their triumphant season. Various awards were given following the season. Lori Haupt received the Offensive award; Stacey Timmons, the Defensive award; and Heather Reeder served 86% to achieve the serving award.

The team finished their season by playing an enjoyable match against their parents. The family's involvement in the girls' games added excitement to their season.

=FULL-FLEDGED TEAM=

For the first year as a full-fledged JV soccer team, Boonsboro High showed great pride and effort in a tough initial season. Last year's soccer club gave experience to this year's team.

The first game, against Brunswick, was plagued with problems. Joe Dagenhart broke his foot early in the game, keeping him out until the last two games of the season. The upsetting match left the Warriors defeated 0-9.

With renewed spirits as they faced another new team, Boonsboro entered the Williamsport game with confidence. In the second quarter Pete Scott scored a goal off a throw-in by Tammy Malkiewicz to clinch Boonsboro's first victory as a MVAL soccer team.

The game at FSK was a defensive showcase. Excellent performances by Gary Hull, Kent Leaman, and Terry Hopkinson helped Jeff Lake keep his second consecutive shutout.

The game played against the Middletown Knights was the best offensive showing for Boonsboro. Key offensive players were Pete Scott, Greg VanWinkle, and Dusty Doyle who scored a goal in the first half.

State champions, North Carroll, came to play the Warriors in the last game of the season. The score (0-7) showed the uneven match-up, but also proved to be one of North Carroll's hardest games.

Jeff Lake was named MVP for his efforts as goalie. Awards were also given to Co-captains Gary Hull and Greg VanWinkle.

Each season, the Warrior basketball team sets a trip to the state final four as its primary goal. For the first time in school history, it appeared the goal would be met. For 31:52, the Warriors led Walkerville only to fall in a game marred by controversy. Despite the setback, BHS fans and players can be proud of 1986-87 season accomplishments.

The Warriors compiled a record of 15 and 8. This placed them as the top seeded team in Region II. The team scored and averaged more points (over 70 a game) than any team in Boonsboro History. The team also advanced to the finals of the River City Classic for the first time.

The outstanding team play was highlighted by some great individual contributions. Darren Stottlemyer, an All MVAL and All Area player, led the team in scoring and set a school record for career steals. Skip Reeder, a second team All MVAL and All Area player, set school records for assists. Dwayne Hines and David Shoemaker were recognized as honorable mention All MVAL players. Dwayne also set a school record for career field goal percentage, while David was the team rebounding leader. John Hartle was the outstanding defensive player, while Rusty Moser and Todd Dorsey made valuable contributions in reserve roles.

Though the final game loss was a bitter pill for BHS fans and players to swallow, the season remains one which all Warrior faithful can reflect upon with great pride.

LEARNING SEASON
for JV girls

The inexperienced Junior Varsity Team, consisting of only three sophomores and five freshmen struggled hard this season. They finished with a 5-15 record. Because they were such a young team, this year was a learning season. The girls showed much team spirit and learned to work together.

Norma Burcker led the team with 124 points and Linette Hutzell was close behind with 111 points. The team received great defensive leadership from captain Heather Reeder, and captain Wendy Miller finished the season as a 50% foul shooter.

The boys' and girls' indoor Track teams struggled through the winter cold to place 13th and 8th respectively in the State B-C meet. Two outstanding performances were made at the Maryland National Guard Meet which includes all schools in the state of Maryland. Stephanie Smith placed sixth in the 55M Dash, and Jemahl High placed third in the high jump.

Stephanie Smith set a new school record in the 500M Dash (1:26.4). Teresa Wright broke the 3200M record with a time of 12:58.5. Kendra Seburn, Crystal Brandenburg, Christy Nuice and Michelle Kable teamed up to set a record in the 800M Relay (1:52.9).

DRIBBLE TO SUCCESS

Jeremy Holder goes up for the shot as Steve Hartle await for a rebound.

The Freshmen Basketball team under coaches Curt Conway, and Rick Linton compiled a 7-7 record over the season. There were many exciting games with Middletown and Smithsburg going into overtime. Team captains Chad Coulter, Jeremy Holder, and Donnie Lerch led the team to their successful season. With the talent on this team there should be a bright outlook for future junior varsity and varsity teams.

LADY WARRIORS
MAKE PLAYOFFS

Lady Warriors warm up.

This year's varsity girls basketball team, coached for the second year by Warren Barrett was made up of three seniors and seven juniors. Coming off of an unsuccessful year last year, the Lady Warriors wanted to put forth great efforts and have a much better season. They appeared to be doing so with two wins over South Hagerstown and rival Middletown before Christmas vacation. Unfortunately, however, co-captain Cassandra Smith came down with a knee injury which kept her off of the courts for most of her senior year and junior starter Deanna Beard was battling back problems during the latter part of the season. The girls had difficulty regrouping and won just three of their remaining games. Something good did come out of this, though, because it gave more juniors playing time and experience which will help next year's team. Senior Sandy Hawkins was also a co-captain, and senior Marsha Nelson, whose shot at the buzzer gave the team a tremendous win over Smithsburg during the season, was awarded a trophy for most points scored. Lisa Miller, a junior, was named to the All-County second team.

Oh no you don't, I've got this one. Marlene Reeder, Mary Anne Rodenhiser, Kelly Stickles.

JV BOYS HAVE . . .

The 1986 Junior Varsity Basketball team had a great season finishing with a final record of 13 wins and 6 losses. This year's team consisted of 13 sophomores with Keith Potter and Scott Coulter leading the team in scoring. The team amassed a total of 970 points this season, towering over the opposition's 907 points.

When asked about the season Coach Reed replied, "HAPPY WEEKENDS! We didn't lose at all on Fridays."

After knowing the thrill of victory for 3 straight years in the girls State "C" Competition, the 1987 girls team finally realized the agony of defeat. This year BHS was edged out of the winner's circle by FSH. BUT, anyone attending this performance could tell you the real champions are. If it weren't for an unfortunate accident in the 800 meter relay, this would be four in a row for coaches Dwight Scott, Sue Mellott, and Dennie Woodring. The girls finished second, and the boys team finished fourth in the state. Both teams have outstanding seasons to add to their string of victories over the years. Team captains Jay Robinson, Christy Nuice, Kendra Sisson, and Crystal Brandenburg proved strong leaders through the teams' ups and downs.

CHAMPIONS PLEASE STAND UP

Christy Nuise won state titles in the 100 and 300 meter hurdle events. Matt Debaugh, Rodney Grimm, John Sandusky, and Gary Hartzell worked together to win the two mile relay with a school record of 8:12.1 at the state meet. Kendra Seburn also broke the school triple jump record with a jump of 35' 7".

Other outstanding team performance this year came as the girls won the Smithsburg Invitational while the boys placed third. In the MVAL meet, the girls brought home a fourth place and the boys brought home fifth place. Both teams proved to be the best in the area taking first in the Washington County meet. And in the Region 1 "C" meet, both teams again proved to be the best by taking place.

Hopefully this year will open the doors to future victories and outstanding athletes.

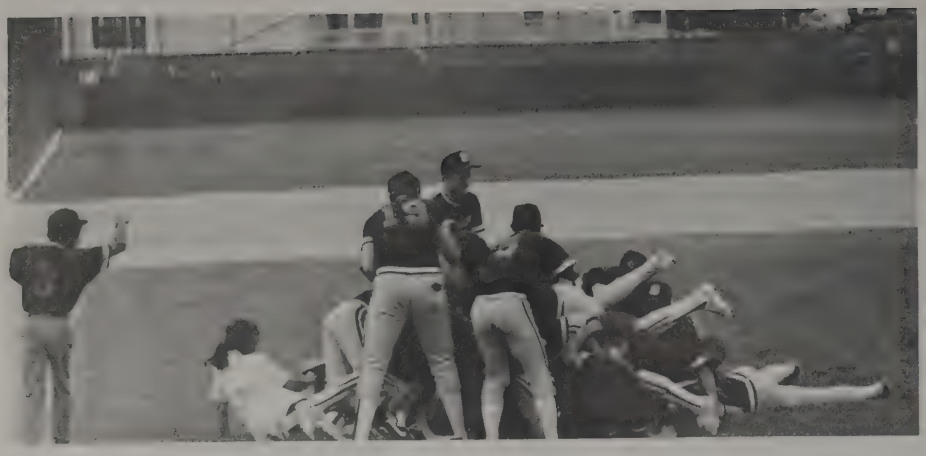
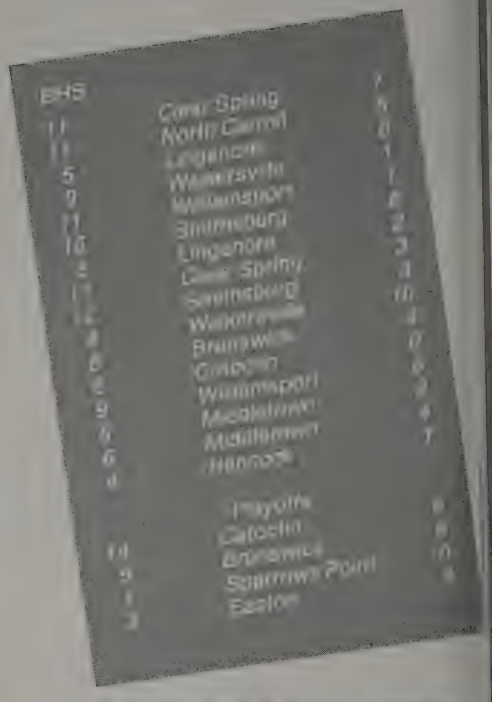
TALENTED SOFTBALL TEAM Posts 8-8 Season

The 1987 BHS Softball Team had an exciting and promising season. The team featured the play of a very talented group of freshmen, an extremely dedicated core of sophomores, and experienced group of juniors and an oustanding senior player. Freshman Amy Delauney, Donna Burcker and Norma Burcker started in all 16 games and contributed at bat and in the field. Two other promising freshmen contributed when called upon — they were Tracey Hetzel and Heather McGlaughlin. Sophomore starters included Heather Reeder, Wendy Miller, Lorrie Haupt, and Michelle Krist. Sophomore Stacey Timmons and Kelly Hauver produced capable and timely fielding and hitting. Junior starter Lisa Markle, Amy King, Deanna Beard and Stef Moats added their expression to a total team effort. Senior starter Marsi Ingram led the team in batting .551, hits 27, doubles 3, homeruns 6, RBI's 21, and stolen bases 14. She was selected to the first MVAL team. Lisa Markle was selected second team MVAL and Deanna Beard was honorable mention.



This is baseball not football, guys!



The 1987 baseball season at Boonsboro High clearly demonstrated the great skill with which the sport is played in warrior country. For the third year in a row Coach Ridenour's finely-tuned team challenged teams from all over the state in the Maryland Class "C" finals. The team was this year able to advance to a second place statewide finish. In addition, the team chalked up for the third year in a row the Region II, Class "C" Championship and the MVAL Championship.

Much of the team's success can be attributed to excellent hitting and pitching by several individuals. Two pitchers, Darren Stoltzfuyer and Brian Rider, sported 4-win, no-loss records, while Randy Frasier and John Hartle posted 4 and 1 records. Notable batting averages were obtained by Skip Reeder, (.491 average), John Hartle (.397 with 26 runs scored), and Rusty Moser (.397 with 4 HR's and 27 RBI's).

After such a successful season, it seems clear that the winning baseball tradition is going strong at BHS.

WHY IS SHEPHERD THE RIGHT CHOICE?

1. A satisfying blend of quality, convenience and value set in a rural environment in the Northern Shenandoah Valley.

2. Competitive listings in Peterson's and Barron's guides to competitive colleges.

3. 70 different academic programs from which to choose.

5. A college on the grow — record enrollment of 3,800 students.

6. A modern campus, featuring many new academic buildings and a new apartment-style residence hall complex.

7. Quality, experienced faculty, with more than 60% holding terminal degrees.

4. Ideal location only 65 miles from the Washington-Baltimore area. Enjoy the benefits of the city without living there.

8. The friendliness of a small college, located in a quaint, historic town, within a short drive of the nation's top job markets.

ON OUR WAY

Single file and yet together
we have shared the greatest days
And we carry common memories
in different ways;
Though we don't know where we're going,
We will cherish where we've been.

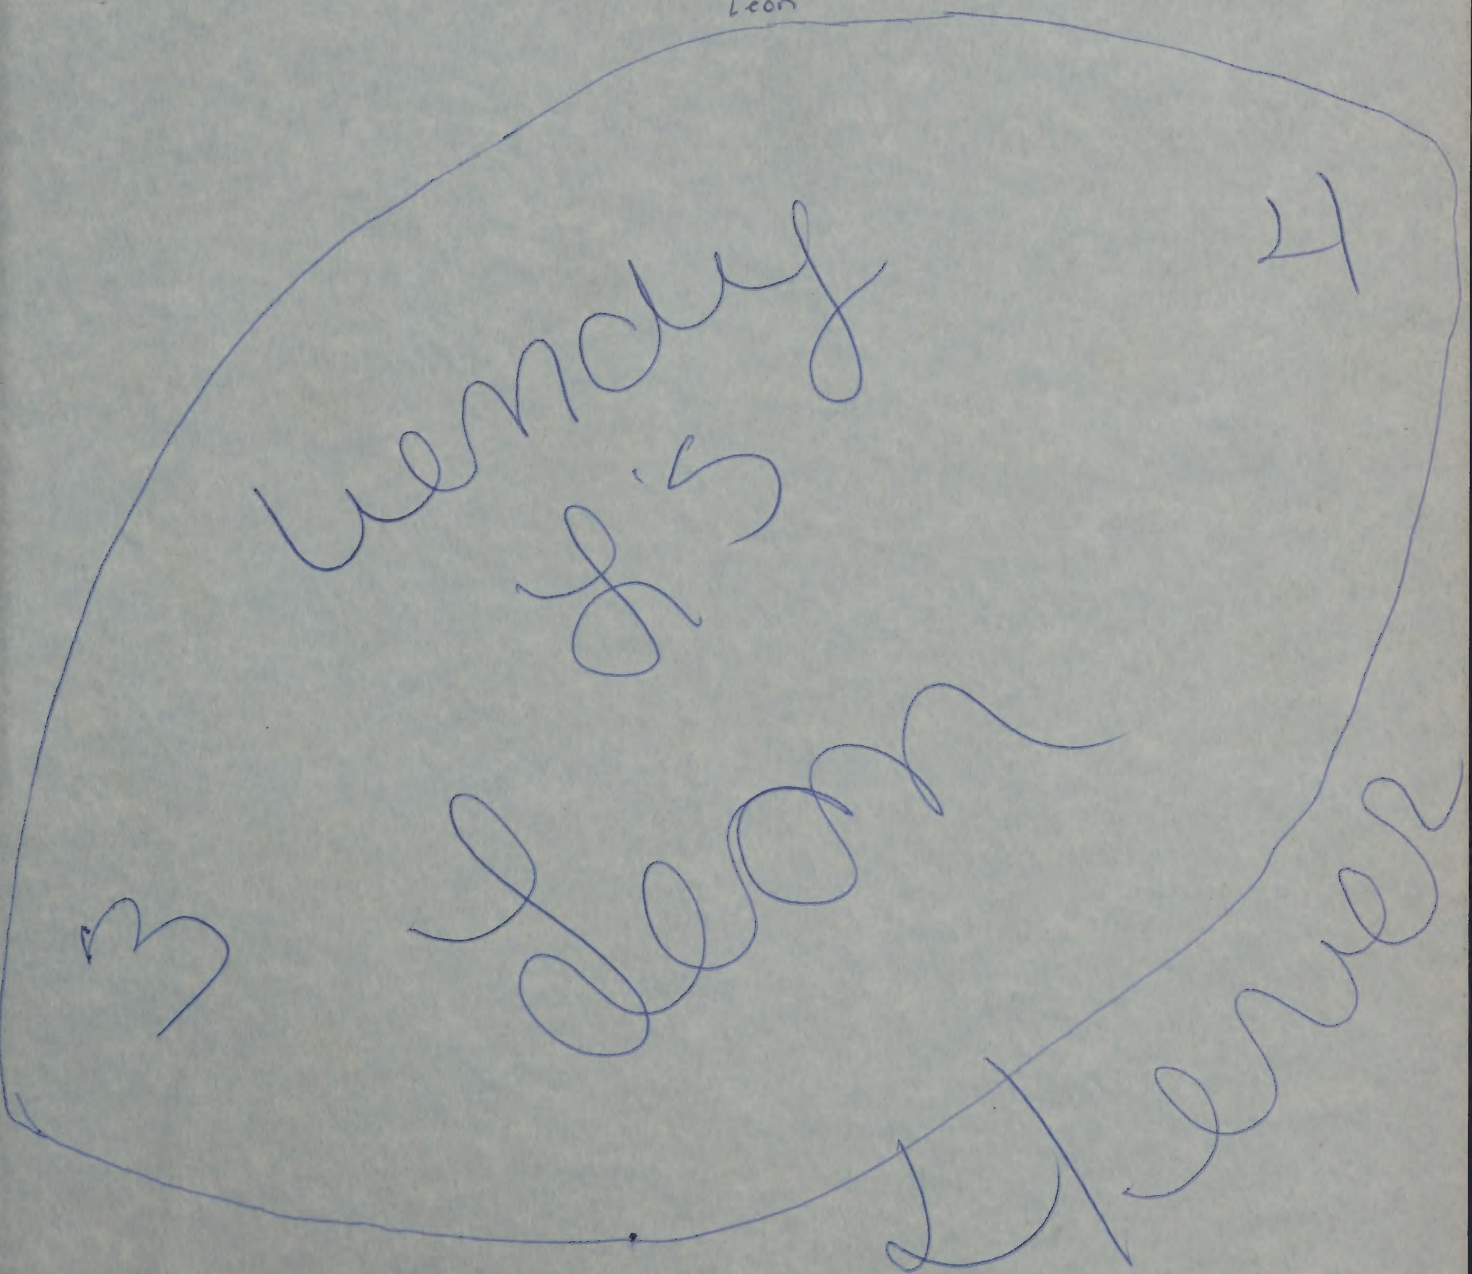
Colophon
Volume 27 of the Boonsboro High School CHIEFTAIN was printed by Delmar Publishing Company in Charlotte, North Carolina.
Employing a magazine format, the 1987 CHIEFTAIN had a press run of 550 copies at the cost of 15,000.
Standard type face through the book is Helvetica Medium Italic. In most cases 11 point copy is used, captions in 8 point.
Underclass portrait work and team sport pictures were done by Delmar Studio.
Senior, staff, and club portraits were done by Myerly and Lowe Photographers, Hagerstown, Maryland.

Wendy,

To a really nice girl, I'm glad I got to meet. Hope you have a good School year and don't get into any trouble no what I mean. I really enjoy being with you and I hope it stays that way for a long time! Sorry so sloppy but its hard to write with a crippled hand.

Love ya Always,

Leon



To a real nice person and a real good friend. I am glad that we became friends. good luck in the future and with the special guy

Jeremy '90

To a real nice person, and a crazy friend, and a wild one. Good luck in your favorite sport (Cheerleading)

Pots

To a good friend who I had Keith in Chemistry.

Scott S.

To a good friend and really sweet girl. Good luck in the future and Leon and keep that boy straight!

Kris Dunahugh

To a real good friend, hope our friendship keeps on growing. Good luck with everything that you do and with that special person.

Your a great friend and I'm lucky to have a friend like you. I know we haven't gotten along in the past but I'm glad I woke up and smelled the coffee. Good luck with the future years. You'll make it in life, because your a good person and everyone likes you. And those who don't, well their assholes. Have fun but be good if that is possible. Stay with Leon because he's a good guy.
